South West Schools Track & Field Championships
Saturday 20th June 2026 at Exeter Arena (Summer Lane, EX4 8NN)

Dear athlete,

Congratulations on your selection for this event. Since time is short, **please complete and return the confirmation, consent and kit requirements as soon as possible** (see below). Check the team list for all events that you have been selected for, and keep this letter safe, as it contains important information about the event.

Transport: We will **not** be taking a coach on this occasion, and athletes are asked to make their own way to the venue. Please contact us if this will cause problems.

Parking: The car parking area, although large, will soon fill with vehicles. Please park compactly and DO NOT park on the access road alongside the car park. The latter is a hire condition for the Arena.

Arrival: Athletes should report to their team manager **at least 90 minutes before their race start time**. Please allow extra time for traffic on the M5, which can be heavy later in the morning.

Team managers will be based in the stand, probably right of middle (facing stand). Please ask for:

Kit (all ages)	Dawn Chance		
Junior Girls	Sue Jones	Junior Boys	Dean Garrett
Intermediate Girls	Dawn Chance	Intermediate Boys	Neil Miller
Senior Girls	Jamie Matthews	Senior Boys	Dave Turner

Athletes may return home with their parents after their event, provided that they tell their team manager.

Cost: The event cost will be **£15** per athlete to cover match entry fees and administration.

Payment: You can either:

- pay **online**, to Avon Schools Athletic Association, sort **52-10-05**, account **99013738**. Please quote athletes' name as reference, and note the **account details have changed from previous events**.
- or **post** a cheque to Jim Strudwick, 8 Chevening Close, Stoke Gifford, BS34 8NJ.

Please remember to include both match fees and the cost of any kit purchased (see below).

Food, Drink and Clothing: It will be a long day so ensure you have enough food and water with you. There may not be hot food available this year, but light refreshments should be on sale in the club house. Changing is limited, so please come changed ready to compete.

Please come prepared for all weather. The stadium can be cold and windy, and it is better that you find yourself having to take clothes off, rather than to sit about getting cold. See below for county vests and shorts.

Parents and Supporters: Please note that there may be a £3 charge for entry into the stadium which may need to be paid for in cash. Programmes will be available at £3.

Medical Clearance: There may be anti-doping drug testing at this event. Please keep a note of any medicine (whether prescribed or over the counter remedies) taken in the 7 days leading up to this event. You do not need to give this to anyone, unless selected for drug testing. A team manager will always accompany any athlete selected for testing. Athletes who expect to compete at an international level should check whether they need a full Therapeutic Use Exemption (see the TUE page of the UK Athletics website).

Kit: All runners must wear a county vest, which can be purchased or borrowed. Athletes can wear county shorts, or their own black or navy shorts.

Avon Schools' County Kit is available **to purchase** (will be handed out on arrival):

Vests	£16.00	Sizes Small, Medium, Large
Classic Shorts	£13.00	Sizes Small, Medium, Large
Lycra Shorts	£17.00	Sizes Medium, Large, we don't have any smaller than size 10
Hoodies	£25.00	Sizes Small (up to 38 inches/97 cm) (short supply) Medium (up to 42 inches/107cm) <u>very short supply</u> Large (up to 46 inches/118cm) (short supply)

Kit is also available **to borrow** (for free): Vest, classic shorts, lycra shorts (but not hoodies), sizes as above. Please hand borrowed kit back to your team manager before leaving.

Confirmation to compete

We are again using email to confirm (or turn down) athletes' availability. **There is a link on the website which should generate a preformatted email.** On the return we only need to know of any condition which might present a problem on the day, for example should you need medical treatment (e.g. intolerance to drugs). Please DELETE items not required / add sizes for items required (DON'T use strikethrough font, my parser doesn't pick it up!)

Should the website link not work for you, please create an email and copy and paste the text below.
